

**Wounded Veteran Parade of Boats
Thursday, 8 November 2018, 3:30 PM
At the Gunterville Harbor**

15 yachts will slowly parade through the harbor with Heroes Week wounded veterans and their spouses or caregivers aboard. They will be introduced via a public address system and will be close enough to the sea wall for residents to speak to them as they sail by.

Bleacher seating will be provided.

Come out and show your appreciation to these brave patriots for their service and sacrifice.
