___ I am the property owner acting as my own contractor and providing all material supervision myself on property for my own occupancy, or use, and not offered for sale. (Proof of the sale, or offering for sale, of more than one such structure by and owner-builder within one year after completion of the same, is presumptive evidence that the construction was undertaken for the purpose of sale.)

I understand that by claiming exempt status I waive my rights for protection under the provisions of the Home Builders Licensure Law and that in the event of litigation involving activities resulting from the grant of this permit I may not make demand of any money from the Recovery Fund established by the Home Builder's Licensure law.
